

Mind Aid Meetup Groups

I have made Meetup.com groups for Mind Aid in 3 Canadian cities.

I want to make more Meetup groups in other cities in Canada and beyond as time goes on.

I know there are people all over the world who would like to help the cause, and I am trying to reach them with these Meetup groups.

If you would like to start one yourself in your community, feel free! You can reach out to me for advice on how to start one at info@mindaaid.ca.

The 3 groups are:

Mind Aid Montreal Meetup Group:

Mind Aid Ottawa Meetup Group:
